Thanks, Tom. Some edits from me are attached. I made it 2 pages by deleting a few things. Please remember that we may have personnel issues in the future to add to this; I just dropped it this time since we don't (and I wanted to get it to two pages!). Brian needs to add his info.

Tracked and clean versions. Seems like some paring of a few points could get this to 2 pages – I'm a little rusty on what could stay/go.
